

## ***Reciprocal Supra Key Information***

Members from designated reciprocal Associations may have their Supra Keys programmed to also work in the Coachella Valley. In order to do so, Reciprocal agents will need to complete a Reciprocal Supra Key and Lockbox Application and pay the reciprocal fee of \$75.00 per calendar year. A Letter of Good Standing from your Association must accompany your application. [Click here for the Reciprocal Key and Lockbox Application.](#) Completed applications may be emailed to [recip@cdaronline.com](mailto:recip@cdaronline.com) or faxed to 760-568-3779. In addition, reciprocal agents must confirm with their Association that the Supra code for our area (CD 62) is already programmed in the key to be reciprocated.

All applications will be processed within 24 hours if all the above requirements are met. Once your reciprocal key paperwork has been successfully processed, you will need to perform two successive manual eSYNCS on your key. For further instructions on how to eSYNC your key, refer to your user manual.
