CALIFORNIA ASSOCIATION of REALTORS®

CALIFORNIA DESERT Association of REALTORS®

www.CalDesertRealtors.com

The names listed here, both REALTORS® and Affiliated Industry Professionals, are members of the California Desert Association of REALTORS® that have made a monetary contribution to the REALTOR® Action Fund.

What is the REALTOR® Action Fund? The fund supports REALTOR® Political Action Committees (PACS) that allows the REALTOR® association to impact the local, state, and federal legislative process: including issues, propositions, & campaigns for elective office.

What are the goals of the Fund and the PACS it supports? The PACS are there to ensure that America's Property Owners are represented, property rights are protected, and that buyers, sellers, landlords, tenants, & the REALTORS® that represent them, can conduct their business in an atmosphere not subject to undue regulation and intrusion by government.

What are the different contribution levels? Each person listed has contributed at least the suggested minimum of $49.00 to the fund. Those names that are **bolded (red)** have contributed at the Champion Club level of $197; and those names **bolded (gold)** are members at the Golden R level of $1,500 initial contribution and a $498 annual renewal.

Why publish the names? It is the best way to properly thank the REALTORS® and Affiliated Professionals in our community that have made the commitment to the values we hold, and the desire to own and/or occupy your own home. We never stop believing in The American Dream.
